Upland-MHS Cage Tourney Set To Go

Montclair and Upland High Schools will host their third annual varsity basketball tournament Tuesday, Dec. 11, through Friday, Dec. 14.

Plans and pairings for the 16-school tournament were presented Tuesday evening, Nov. 27, at Upland High School at a dinner attended by representatives of a dozen of the schools.

Four games are scheduled at 3:30, 5, 6:30 and 8:30 p.m. Tuesday, Dec. 11, at Upland High and four at the same times at Montclair High.

Thursday, Dec. 13 games will be at 7 and 8:30 p.m. at both gyms, and on the final day, Friday, Dec. 14, all games will be at Montclair, at 5:30, 7 and 8:30 p.m.

Paired off for first round play at Upland Gym Tuesday, Dec. 11, are: Rubidoux-Los Altos, 3:30 p.m.; Charter Oak-Bonita, 5 p.m.; Northview-Garey, 6:30 p.m., and Edgewood-Upland, 8 p.m.

In first round play at Montclair gym will be: Corona-Pomona, 3:30 p.m.; Pomona Catholic-Claremont, 5 p.m.; Ganesha-Upland Academy, 6:30 p.m., and Montclair-Duarte, 8 p.m.

Winners and losers in the Upland half of the first round will play again in Upland Wednesday and surviving teams will see action in the same gym Thursday.

Teams playing first round games in Montclair will continue in either championship or consolation divisions in Montclair's gym Wednesday and Thursday, until eliminated, of course.

Trophies will be awarded for first, second and third place teams in the winner's bracket.

A team trophy will go to the winner of the consolation championship.

Seven individual awards will be made for tournament "all-stars" to be chosen by vote of the six coaches of teams playing in the three games on the final day of the tournament.

Tickets for the entire tournament may be purchased for $1.50, and single game tickets will be sold for 50 cents.

Sponsors of the tournament are the student bodies of Montclair and Upland High Schools. Committee members arranging the tournament include administrative and coaching personnel of the sponsoring schools.

DIANE ARRIVES

Councilman and Mrs. James Christensen have announced the birth of daughter Diane on Nov. 21 at Kaiser Foundation Hospital. Diane weighed in at 8 lbs. 15 oz. and joins three brothers and a sister.

I Corinthians 8:9

But take heed, lest by any means this liberty of your's becomes a stumbling block to them that are weak.

Seek Nominee For Special Service Award

A former newspaperboy who has distinguished himself in the field of entertainment, the professions, labor, business, athletics, education or government is being sought by this newspaper.

When the "right man" is found he will be this paper's nominee to recive the 1962 Distinguisned Service Award of the California Newspaperboy Foundation.

Each year member newspapers of the CNF nominate an adult, a former newspaperboy, who has achieved outstanding success in his accomplishments while engaged in one of these fields.

The annual award is made in keeping with the Foundation's motto - "Yesterday's Newspaperboy - Today's Leader".

A judging committee will be selected by the Foundation to judge the nominations submitted by CNF members and choose the winner.

Presentation of the award will be made at a time and place to be selected by the Foundation.

We are asking the assistnce of our readers to help select our nominee. Do you krow of such a person?

If you believe you know of someone who would qualify for the honor, give us a call and we'll look into the man's achievements.

Post Offices Set Christmas Season Hours

The Postmasters of Upland, Cucamonga, Alta Loma and Etiwanda have announced a window schedule for the 1962 Christmas season. Patrons are urged to clip this schedule for reference.

Saturday, Dec. 8, regular hours, 9 a.m. to 12 noon.

Sunday, Dec. 9, no service.

Monday through Friday, Dec. 10-14, 8 a.m. to 5:30 p.m.

Saturday, Dec. 15, 8 a.m. to 5:30 p.m.

Sunday, Dec. 16, 1-5 p.m.

Monday through Friday, Dec. 17-21, 8 a.m. to 5:30 p.m.

Saturday, Dec. 22, 8 a.m. to 5:30 p.m.

Sunday, Dec. 23, 1-5 p.m.

CITATIONS were awarded Tuesday night to the Water Bond Support Committee by Upland Mayor Abner B. Haldeman on behalf of the City Council for the committee's excellent work of informing the public on the Water Bond Issue which passed at the Nov. 20 election. From left, receiving congratulations, are: John Andreas, Councilman William Kistinger, Fred Mack, Russ Hazen, Mrs. C. P. Jacobs, Rev. C. Richard Mitchell, John Alderman and Mayor Haldeman. Committee members not present for the citations were: Andrew Barmakian, Paul Hottel, William Rugg, William Standlea, Mrs. William Fitzsimmons and John Ward. NEWS Publisher Mel Hodell also received a citation for support of the issue.

UplandCollege Honors Three

Upland College students of Dr. and Mrs. Henry G. Brubaker and Miss Alma Cassell have always counted it a privilege to know them. For a combined total of 103 years these three persons have given of themselves in complete devotion to Upland College students and the cause of Christian higher education.

This school year has been designated as the "Year of Recognition" for the Brubakers and Miss Cassel. At the recent Homecoming Banquet honors were given to these three well - loved teachers. Plaques were presented to them by College President John Z. Martin, "in recognition and appreciation for the lives you have given unselfishly to the cause of Christ and Upland College."

The Brubakers have served in a variety of ways from the early days of the College. On two occasions "Dr. B." has served as President of the growing College. Through his initiative the present campus location was secured.

The Brubakers have otherwise served in the offices of Business Manager, Dean of Men, Division Chairman, Professors, Author and Student Advisors.

Miss Alma Cassell came to the College in its earliest years and served at various times as Dean of Instruction, Registrar, Division Chairman, Professor, Author, and student Advisor.

Promotions Told

Sheriff Investigator To Retire December 1

The approaching retirement of veteran Sheriff's Homicide Investigator, Detective Lieutenant Barton Keene, has triggered a chain reaction resulting in the transfer and promotion of at least four of its personnel, the Sheriff's Department announced this week.

"Lt. Keenes' leaving the department makes for a happy as well as sad occasion," announced Sheriff Frank Bland. "It has, however, brought about several personnel changes that will become effective Dec. 1," he said.

"Over the past quarter century," Sheriff Bland continued, "Barton Keene has earned an enviable reputation for himself in the field of law enforcement, particularly in the southwestern part of the United States and more specifically in the State of California.

The name, said Bland, has come to spell a perfection in the technics of homicide investigation and its interrogation. Summed up, Bart Keene, has become known and respected among brother lawmen and fellow citizens alike, as an unexcelled investigator and a human understanding person.

He will, I am sure, be missed by all those who knew and worked with him, concluded Sheriff Bland.

Slated to replace the veteran lawman as head of the Sheriff's Homicide Division, is Lt. Floyd Jones, formerly commander of the Sheriff's Barstow Substation.

A ten year law enforcement officer, Jones followed his Korean Conflict naval service by joining the Needles Police Department in April 1952. Later, in July, 1954, Jones was accepted by the California Highway Patrol and became a resident officer in Needles for two years before being transferred to San Bernardino.

In 1959, he joined the Sheriff's Department and spent a year and a half with the Homicide Division, before being placed in command of the desert substation.

Replacing Lt. Jones as commander at Barstow, will be Sergeant James K. Harvey, Sheriff's Deputy in charge of

(Continued on Page 2)

Fall Sports Program Set

All athletes who won letters in fall sports will be presented a letter at the annual Fall Sports Dessert-Banquet sponsored by the Upland High School Booster Club at 6:30 p.m. on Thursday, Nov. 29.

The program will be preceded by a dessert served by UHS Tristameams Tri-Hi-Y, in the school cafeteria.

In addition to the awarding of school letters, individual trophy awards will be made to outstanding team members. The event is open to the public, with a donation at the door.

John Gilliland will open the program, followed by a welcome by Booster Club President Max Hawkins. Assistant principal Harvey Shirk will give the invocation.

Vern Orum, vice president of the Booster Club, will introduce each coach, who in turn, will give the highlights of the season, and make awards. Special guests will be the Fall Sports Queen Yolanda Ayala, and her court.

Coaches on the program will be Paul White, cross-country; James Stewart, water polo; Jerry Kehr and Bill Wolfe, freshman football; Harley Lovitt and Al Warren, "B" football; Pat Bandy junior varsity football, and Hoyt Baker, varsity football.

This will mark the first time letter awards are given at the annual Awards Banquet. Heretofore, letters were awarded at a school assembly, and trophies presented at the banquet.

Orum, in making the announcement of the change in policy, said that the Booster Club wished to recognize all athletes who qualified for letters as well as trophies.

United Fund 95% Of Goal

With only a few days remaining in the current United Fund campaign ,General Chairman Newman Draper reports 94.3 percent of goal as of Friday, Nov. 23. The drive was scheduled to close Nov. 30.

Of the total quota, of $212, 669 collections have amounted $200,539.

Upland has reported $14, 263 out of a quota of $16,207 for 88 percent complete.

Local Unit Formed

League Of Women Voters Supplies Needed Information

(Editor's Note: The following story on the League of Women Voters was revamped to include the formation of a local unit AFTER the editorial (appearing in the second section) went to press. When the editorial was written, we confess we did not know of the existence of the local unit nor was this information given to us in an interview Friday and Monday with the president of the Chino League, Mrs. Richard Miller. At 10 p.m. Tuesday, Mrs. Miller said she had told the reporter "we do have an active group in Upland." However, as the editorial states, we still favor a local ... meaning UPLAND ... League being formed as a separate entity. The information on the local unit was learned late Tuesday when Publicity Chairman Mrs. Jack Blair phoned after hearing of our inquiry about getting a local League started.)

Providing voters with help and information is a job taken on in many cities by a League of Women Voters, and the organization has been accomplishing much in informing voters wherever Leagues have been active the past 42 years.

Back when women were first given the right to vote the orginal Suffragettes began the League, feeling that if women were going to vote, it was best that they were informed before voting.

In the ensuing 42 years Leagues have been doing their level best to keep all voters informed, not just women.

Leagues in this area—Chino, Claremont and Pomona — have been active in programs to inform voters and get out the vote in local elections as well as in the June Primary and November General Elections.

* * *

Last October, an Upland-Ontario Unit of the Chino League of Women Voters was formed and now boasts 27 active members, 20 of whom are Upland residents.

Responsible for the formation of the local unit are six Upland women: Mmes. Preston Merrell, Jack F. Blair, James Garliepp, Ivan Marburger, Ronald Marpert and Robert Cousar.

Through their efforts the Upland-Ontario Unit was formed and members are being sought from Montclair, Alta Loma and Cucamonga.

A local "observer" program is already in effect whereby two women are assigned to observe at City Council, Planning Commission, and School Board meetings. They sit through the sessions and report back to their unit on observations and possible areas for study.

Four Upland women are on the present board of the Chino League: Mmes. J. L. Dolan, Paul Hurst, William Arnitz and Jack Blair. Three more Uplanders are expected to be added in the near future.

The Upland-Ontario Unit meets at 9:30 a.m. on the second and fourth Friday of each month.

On Friday, Nov. 30, the group will meet at the home of Mrs. Ivan Marburger, 1315 Tulare Way, Upland, where they will study California and State Regional Planning, one of the requirements of the League.

Resource people for the session will be Mrs. F. L. Dalyrmple of Chino, chairman of the State item for the Chino League, and Mrs. John W. Pierce, discussion leader.

The Upland-Ontario Unit will eventually hold a "Know Your Town' study and form a speakers bureau.

* * *

The League is active on all three levels of government. Major purpose of the League of Women Voters of the United States as given by the League "is to promote political responsibility through informed and active participation of citizens in government."

Chino's League was the most recently formed in this area, now in its second year. First year of any League is a provisional period and the League is known as a Provisional League of Women Voters.

During that first year the Chino League had to meet certain requirements before it could attain full League status and drop the word "Provisional" from its title.

One of the requirements was to put itself on a firm financial footing, although it is a non-profit organization, as would be expected.

Dues ($5 per year in Chino) account for part of the League's income, and contributions from businessmen and other civic-minded persons add to the treasury.

Approximately 62 per cent of the money is spent by Local Leagues, 24 per cent by state Leagues and 14 per cent is spent at the National level.

Another requirement met by the Chino League during its provisional year was a study of the Chino City Government.

There were two results of that study. One was a "Pocket Guide to the City of Chino" containing information on the government plus facts for voters, lists of churches, clubs and organizations, published with the help of the Chino Chamber of Commerce and Chino City Council.

Another result of the League's study was its current local study project, zoning and planning. That also ties in with a state-wide study on "The State's Role in Local Government."

Study subjects are chosen by vote of the members, a method followed in Leagues to settle all questions.

Local, state and national Boards are elected to carry out the decisions made by members in annual meetings of local Leagues, state conventions and the biennial national convention.

Board members on all levels serve as volunteers. No salaries are paid to officers and directors—national state or local.

When the Chino League's study of planning and zoning is completed by women in unit meetings twice monthly, if a concensus is reached, that concensus will be passed on in the form of recommendations to the City of Chino.

That has been the pattern of operation since its incention in 1920—study, discussion, and action. Majority opinion prevails, but minority opinion

Student Planning Council Selected For Alta Loma HS

Alta Loma High School's Student Planning Council was completed Nov. 27 when 17 present Upland High School students were selected.

These sophomores and freshmen will join the eighth graders who were chosen earlier as a task force for the new student body of Alta Loma High School opening next Fall.

Gus Rischer, director of student activities at Upland High School, who will hold the same position at Alta Loma, said that the group was chosen with great care. Past performance in leadership and responsibility were of prime concern in the selection.

Those who will assist in starting the history of Alta Loma High School are: freshmen—Eric Callow, Manuel Macias, Gloria Romo, Paula Sorenson, Mary Ann Kadunk, and Ron Pizzuto.

Sophomores—Richard Bare, David Bentley, Christine Collins, Peggy Haigh, John Morris, Maria Oliva, Larry Rempel, Gloria Schneider, Janis Smith, Tony Vicente, and Riss Whitney.

Rischer said, in a letter to the parents of the Council, "The selection of your child was by no means a small accomplishment, for the competition that he faced was of the highest caliber, and only because he has proven himself in past performances was he chosen."

The Council will hold one major meeting a month, with committee meetings as needed.

Some of the projects to be completed are: choosing school colors, selecting school nickname and mascot; writing of the Student Body Constitution, providing for the election of first student body officers, arranging the assembly program for the first year, laying groundwork for club program, and setting the pace for the entire student activities program.

The first meeting of the Council will be called later this week.

Area Study of Cancer At Half-Way Mark

Work getting under way in San Bernardino County and across the nation will bring the American Cancer Society to the half-way mark in its mammoth six-year study of the possible relationship of human living habits to cancer, it was today by Mrs. Alice J. Wilkins, Executive Director.

The study began in October, 1959 with the enrollment of 1,100,000 Americans — 120,000 of them Californians and 3,763 of them from San Bernardino County.

It is being conducted with the assistance of 70,000 volunteer researchers - specially trained for the purpose — whose efforts, if not contributed would cost many millions of dollars.

Group leaders for the West End are: Mrs. Walter E. Holts, Upland and Ontario; Dr. John Z. Martin, Upland; Mrs. Leonard A. Anderson, Chino; Mrs. Rudy Brumund, Alta Loma; plus forty-nine researchers.

Subjects of the study are also participating on a voluntary basis. They come from all walks of life and from both rural and urban areas — representing a true cross-section of the American public. Each year, confidential information is secured from them and sent on to New York where it is processed by electronic computers.

How Americans live, their occupations, personal habits, histories— these and other diverse elements are being exhaustively analyzed for clues as to why some people may be more likely to get cancer than others.

It is expected that common factors in our environment which cause or contribute to cancer will be uncovered, which should point the way to preventing at least some forms of the disease.

The study has already produced preliminary data on the prevalence of physical complaints and what people do or do not do about them. It has indicated relationship between occupational exposure to dust and other air impurities and various lung diseases including lung cancer, a relationship between smoking and a multitude of human complaints.

"The major findings of the study are yet to come", Mrs. Wilkins said. "The third follow-up, which we are just starting, may be the most challenging to date for our volunteer researchers. By now, many more subjects will have moved from the place where they were originally enrolled and more deaths will have occurred. Getting the necessary information will be more difficult".

"But we will do the job", she said. "We all feel that we are playing a part in history, and that we will perhaps some day be able to say "I helped unlock the secret of cancer."

Seek Dog Kennel In West Upland

A public hearing has been set for 10:15 a.m. Thursday Dec. 6 by the San Bernardino County Planning Commission on an application seeking to establish a dog kennel in the West Upland area.

The application was filed by Garold O'Haver and seeks to establish the dog kennel on 1.36 acres of land within an M-1 (limited manufacturing) zone on the south side of Foothill Blvd. approximately 660 feet west of Benson.

TARTAN uniform of the Upland High School mascot Gayle Geren is adjusted by Director of Student Activities Gus Rischer. Predominantly red, the uniform must be revamped using the new Highland Plaid adopted by the Student Council and Rischer is seeking an expert seamstress to handle the chore.

Upland High Seeks Expert Seamstress

An expert seamstress is being sought by Gus Rischer, director of student activities at Upland High School.

Since the student council has designed its own original Highland plaid, the uniform of the mascot must be revamped.

The plaid in the mascot's uniform is predominantly red. Since the yell leaders, song leaders, choral groups, and drill team all wear the Highland plaid, the student council hopes to bring its mascot up-to-date.

The tartan, valued at $500, was donated to the school when it opened, and has been worn by mascots of various sizes. It is authentic, purchased in Scotland especially for Upland High School.

The tailor or seamstress who revamps it in the green and white plaid will be expected to preserve the style and lines of the first uniform.

The wearer of the uniform the mascot, is carefully chosen each year by a committee of students and administrators. Such a person must have dignity as well as school spirit, and be a worthy symbol of Upland High School, according to Rischer.

The mascot appears at rallies and parades, and at official school gtherings. Serving as mascot this year is Gayle Geren.

Persons interested in copying the Upland High School tartan in the newly-designed green and white plaid may get further information by calling Rischer at UHS.

Romans 6:22

But now being made free from sin and become servants to God, ye have your fruit unto holiness, and the end everlasting life.

School Administrators To Attend CASA Confab

Major problems facing California education will come under close study by the state's leading educators Dec. 3-6 at the annual conference of the California Association of School Administrators, meeting at the Grant Hotel and Balboa Park.

Participating in the four-day statewide meeting will be more than 750 school superintendents representing virtually every district in California, headed by State Superintendent Dr. Roy Simpson.

Attending the conference from this area will be Chaffey High School District Superintendent Allan G. Smith and Assistant Superintendent Alex McLeish and Upland School District Superintendent Harold Cook. They will be joined on the last day of the CASA conference by some of the board members.

They will dicuss a wide variety of education problems, including:

1 - How can we cope with the resistance to tax and bond measures that increase local taxes?

2 - What are the most effective ways of teaching basic American values and love of country?

3 - Civil defense and schools.

Superintendents also will discuss such continuing problems as school financing, staff ratios, team teaching, professional ethics, and teacher morale.

Speakers who will address the school superintendents during the conference include Dr. Max Rafferty, newly elected state superintendent of public instruction; Dr. Glenn S. Dumke, chancellor of California State Colleges; Dr. John C. Fischer, president of Teachers College, Columbia University.

Also, Dr. Warren B. Martin, provost, Raymond College, University of the Pacific; Dr. Paul Misner, superintendent of schools, Glencoe, Ill., and former President of the American Association of School Administrators; and Dr. Cyril O. Houle, professor of education, University of Chicago.

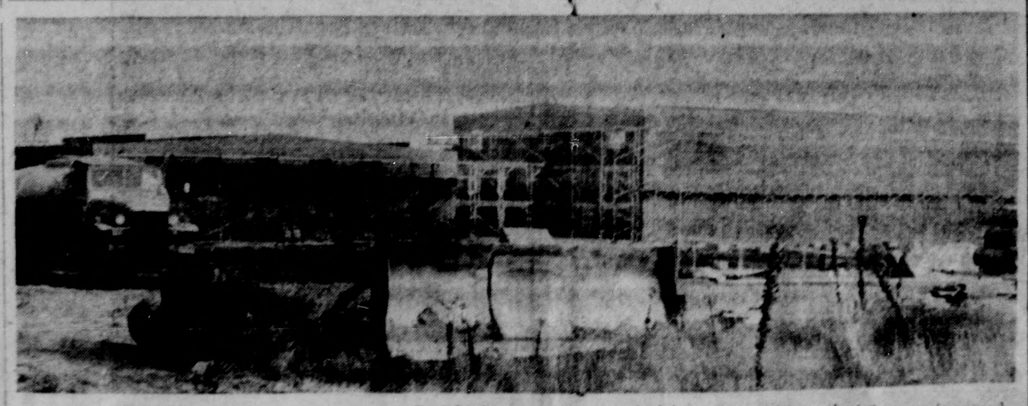

President of the California Association of School Administrators is Richard M. Clowes, associate state superintendent of public instruction.

Supervisors Hold Election

The election of a new chairman for the San Bernardino County Board of Supervisors is scheduled for 12 noon on Monday, Dec. 3. Supervisor - elect Daniel Mikeseli of the 2nd District, will take office on that date replacing retiring Supervisor Richard Manley of Upland.

?

WHAT'S COMING AT UPLAND INN

ARMY CENTER under construction on E. 7th St. between 11th and Grove Aves. is expected to be completed in April of 1963. The $307,000 center will serve 200 citizen-soldiers of four Reserve units of this area. It is being built by Structorcon, Inc. of Los Angeles. A name for the center, in memory of a deceased distinguished military person, will be recommended by a committee of civic, service and veterans representatives headed by Mark Alexander. Anyone may offer nominations for the name and should send their recommendation to Mr. Alexander, 1382 Ukiah Way, Upland. The deadline for nominations is Dec. 15.

NEW ELEMENTARY SCHOOL on W. 15th St. will house 575 students. Completion of the $424,000 project is expected in February of 1963. The school is being constructed on the north side of 15th St. between Euclid and San Antonio by Hoefer Construction Co. of Fontana. It will contain 16 classrooms and two kindergarten rooms with one to be used as an administrative office on a temporary basis. An additional $120,000 is planned for the school to build two more classrooms and an administrative office. When fully completed, probably in September of 1963, it will have a 696 student capacity. The Upland School District has another elementary school on the drawing boards to be built on W. 7th St.

Jaycees Hear Scouting Talks

Guest speakers at the Upland Ontario Jaycee meeting on Monday night at the Red Griffin Inn in Upland were Lloyd "Bud" Jones, State Vice-President of the Jaycees, who spoke on community development and Donald Mosker and George Van Tubergen who presented a program on sponsorship of Explorer Scout troops for boys of high school age.

Red Cross Volunteens Complete Orientation

There were tall ones and short ones, thin ones, and not so thin ones, redheads, brunettes and blondes. But despite their physical attributes the 79 young people who have just taken Red Cross orientation and training to become aides in rest homes and hospitals are sincere in their desire to be of service in their community.

These are girls and boys from Upland and Pioneer Jr. High Schools and Upland High School. They are called Volunteens and work under the sponsorship of the Upland Chapter, American National Red Cross.

Mrs. Harry Picard, Secretary of the Board of Directors of Upland Chapter, explained the history of Red Cross, its services and functions, to the young people in the orientation course.

Mrs. Dana Alexander, Red Cross coordinator of the Future Nurses Club of Upland High School, talked on the do's and don'ts of hospital conduct and the correct wearing of the Red Cross uniform.

The Red Cross Volunteens serve in rest homes and hospitals where they help to feed patients, write leters, talk to patients and play games with them. The Volunteens also serve at polio clinics and community functions where their services are required.

Mrs. Richard Whittaker is the teacher-sponsor for the Volunteen group from Upland Jr. High School. Mary Welty is student president of the group; Sheri Simonsen, Vice President; Susan Weylandt, Secretary; Marlene Vakerics, Treasurer; and Bonnie Pavsek, seventh grade representative. 26 girls completed training from this school.

Officers of the group at Pioneer Jr. High include Betsy Barnett, President; Joanne Swartzendruber, Vice President; Nancy Stewart, Secretary; Penny Cox, Treasurer; and Olga Segovia, seventh grade representative. Miss Ann Weinhardt is the teacher-sponsor. 43 girls and 4 boys completed training from this school.

The uniform of the Volunteen girls is a blue and white striped pinafore with white blouse. Boys wear white shirts, dark trousers andshoes. Cooperating parents have volunteered to drive the young volunteers to and from assignments.

II Thessalonians 3:1

Finally, brethren, pray for us, that the work of the Lord may have free course, and be glorified, even as it is with you.

And that we may be delivered from unreasonable and wicked men: for all men have not faith.

Pollutio n Control Board Adopts Used Car Program

The State Motor Vehicle Pollution Control Board determined Nov. 14 in San Bernardino that California's used car population be equipped with crankcase control devices as soon as two or more can be approved.

Previously, the Board had considered that installation of these devices should become mandatory only when exhaust devices were required on used cars.

However, the Board felt that with the amount of contamination contributed by automobile engines (30% of the car total) and the rapid progress in crankcase device development, it should proceed with this phase of its program immediately to speed the return of clean air to California.

Two companies, AC Spark Plug and Walker Manufacturing, came forward at the meeting with crankcase systems they claim are adaptable to the majority of used cars in California.

The Board heard a staff report on installation and cost of these devices. Formal action is scheduled for the MVPCB's next meeting, Dec. 18, in Los Angeles.

At the same time the Board ordered the staff to develop test procedures for exhaust devices for heavier trucks and buses. Dr. J. B. Askew of San Diego, MVPCB chairman, said this was being done so that controls would be ready for these vehicles at the same time as those for passenger cars.

He pointed out that the larger trucks and buses emit proportionately more contaminants than passenger vehicles.

The Board went on to approve three more crankcase devices for factory installation, bringing to a total of 15 those now approved by the tate for new cars. Those ok'd were from Walker Manufacturing Co., British Motor Corp. and International Harvester Co.

Dr. Askew announced that a seventh exhaust device, from Minnesota Mining and Manufacturing, had been accepted for official State testing.

He said that exhaust controls from five companies are now on 115 automobiles for fleet and life testing.

The Board moved to seek several legislative changes which would allow it to approve engine modifications as well as devices or systems and to withdraw certifications.

Women Voters

(Continued from Page 1)

is welcome.

When a position is reached through concensus of membership, the League and members as individuals work to implement that position.

The action methods include testifying at public hearings, use of public forums, panel discussions, mass media, League publications, and letters to local, state and national officials.

League effort to help individuals to be politically effective is a year-round function. The League publishes factual information on issues to help prepare the electorate to cast an informed vote.

At election time it also issues factual information on candidates, conducts candidates meetings and works to get out the vote.

During recent elections the League could and did provide voters with a mass of information about candidates and issues.

Although the League may take a stand on certain issues, it never does on a particular candidate or political party.

On the local level, candidate meetings are held to give the public a chance to hear and see them. Before the Primary in June Chino and San Bernardino Leagues cooperated in a public forum, inviting all county candidates voters in this area were to choose from.

When school board members are to be elected the League invites candidates in that election to a public forum meeting.

Questionnaires are sent to candidates in elections and the questions and candidates' answers are made public. As the above activities would indicate, voter service is considered the number one activity of any League.

Members of the League are observers at all City Council, Planning Commission and School Board sessions, where they listen quietly. They report back to their units and through League Bulletins, and often uncover areas in need of study.

There is no set number for a local League. Units are 15 to 20 women, and a League may have several.

Any woman citizen of voting age who believes in representative government is eligible for membership.

Dues are kept low, the League says, so that anyone interested in the League's purpose is able to join.

Romans 5:15

But not as the offence, so also is the free gift. For if through the offence of one many be dead, much more the grace of God, and the gift by grace, which is by one man, Jesus Christ, hath abounded unto many.

Clan Capers

By Sue Thompson

Many new Y-clubs are being formed by the sophomores. Three sophomore Y-clubs have been officially chartered as of this date. They are the Praetorians Hi-Y, the Tamlins Tri-Hi-Y, and the Mentorians Hi-Y.

The officers of the Praetorians are Dennis Adkins, president; Bob Smith, vice president; Bill Talley, secretary; and Steve Harmon, treasurer. The Tamlins' officers are Mary Mitchell, president; Pam Imholz, vice president; Paige Rassmussen, secretary; Donna Jean Jackson, treasurer; Norma Standlea, chaplain; and Judy Stamm, Y-council representitive.

The Mentorians' officers are Ron Guy, president; Jean LaFond, vice president; Paul Hamilton, secretary; Fred Kamansky, treasurer; Mike Eastin, champlain; and Brian Silverthorne, Y-council representative.

These officers have all accepted the responsibility of making the new clubs worthwhile and true to the purpose of the Y program. I'm sure they can handle the responsibility.

The Santa Clause Lane Parade was better than ever as those of you who watched it on television last Wednesday noticed. The UHS band was not cut out because of a commercial, as was the case last year. This year they came through loud and clear and walked way with second place.

Everyone was in a terrific mood that night, particularly Jane Skewis and Carol Wiegang, who had even more fun after the parade. They added their own Christmas decorations to those already present.

* * *

This Friday will mark the opening of basketball season when the Highlanders take on Fontana here at 8 o'clock. The team will really be out to win, so come to the game and give them your support.

Another important event on the sports calendar is the annual Upland-Montclair Basketball Tournament to be held December 11-14.

* * *

The majority of the college-bound seniors will take the college board tests this Saturday. Those seniors who took the tests in November can testify that the tests are like none they've ever taken before. Lots of Luck!

* * *

Many students went on interesting trips Thanksgiving week-end. Lee Fah Leow and Diana Keeran went to Arizona with Diana's family and Lee Fah had the unique experience of riding in a helicopter. Lee Fah said it was "fabulous".

The Highlanders' Way club recently had as a speaker an Upland High School teacher, Miss Dorothy Harris, who spent last year in Venezuela.

Ludwig Firm Sets First Stock Meet

First annual meeting of Ludwig Engineering and Science stockholders since the firm became publicly-owned in 1961 was held at 10 a.m. Monday, Nov. 26 in the hospitality room of Glendale Federal Savings at Arcadia, it was announced by President Alfred P. Ludwig.

The corporation, one of the few in the United States specializing in sanitary engineering problems, now is equipped to provide a complete turnkey job for its clients, Ludwig said.

It operates three wholly-owned subsidiaries - Pascal & Ludwig, Inc., heavy construction component in Upland; Enineering Science, Inc., research and design arm, and recently - acquired Greynald Construction Company of Sherman Oaks, commercial building unit.

Ludwig said the company now has a backlog of $4 million in contracts.

Sheriff --

(Continued from Page 1)

the Big Bear Lake Substation, who also receives a promotion to the rank of Lieutenant with the transfer.

Sgt. Harvey, more familiarly known as "Ted", is a dedicated career law enforcement officer, who has accumulated six years of service in the department.

During that time, Deputy Harvey rose from a field deputy patrolman to commander of the substation.

A quiet, efficient, hard working administrator of modern law enforcement technics, Harvey was instrumental in the station's progress and advancement.

During the period of his administration the substation personnel increased from that of four deputies and one clerk to twice as many deputies, plus the clerk.

Sgt. Harvey, qualified with State Board of Education credentials has been instructing in police science courses for the past year at the Big Bear Lake extension of San Bernardino Valley College.

Also affected in the string of transfers, is Sheriff's Deputy Jerome C. Ringhofer, acting detective at the mountain outpost.

Assisting Sgt. Harvey for the past year as second in command of the station, Ringhofer, now has been placed in full charge and responsible for its operation.

His promotion designates him as Acting Sergeant and Substation Commander with full responsibility for the administrative operation of the substation and its personnel.

Assigned to the Big Bear Substation to fill a vacancy created by the movement of Lt. Harvey and Sgt. Ringhofer, is Deputy Sheriff Richard L. Guzzle of the Central Patrol Division in San Bernardino.

Guzzle entered the department on June 1, 1962 and recently graduated from the Sheriff's Training Academy in October of this year.

Wheelchairs Available On Loan Basis

If there is a crippled child or handicapped adult in your family who needs a wheelchair or other special equipment, call your local Easter Seal Society today.

The San Bernardino County Society for Crippled Children and Adults, Inc. maintains an equipment loan service that contains wheelchairs, crutches, hospital beds, walkers overbed tables and many other appliances necessary to help rehabilitate handicapped persons in San Bernardino County.

Mr. Arthur W. Walker, President, pointed out that a staff person from the Easter Seal Society is available to give necessary instructions in using the equipment.

"To protect the borrower as well as the Society, the patient's doctor must prescribe the required equipment", Walker said. "This also assures that every appliance goes to those crippled persons who need it most and will thus receive maximum use."

He explained that when the Easter Seal Society loans a piece of equipment the crippled person who uses it is requested to keep it in the best possible operation. The longer that the equipment is in good working condition the more people in need of it can benefit, and the sooner it can be returned to the Society, the sooner it can be loaned again.

For information on loaning equipment for a handicapped person contact the San Bernardino County Society for Crippled Children & Adults or Mrs. Kenneth Perry, Upland Community irector, YU 2-7254.

Talent Sought For National Orange Show

Schools throughout Southern California and all community organizations such as civic, fraternal, patriotic and amateur talent groups are being invited to participate in the special events program at the 1963 National Orange Show in San Bernardino March 14-24 by Frank Perkins, special events committee chairman.

Each year special days are set aside by the National Orange Show management to honor various Southland communities and organizations. O that day non-professional entertainers provide almost continuous entertainment on the Community Stage for the thousands of visitors expected at the annual citrus classic.

Amateur talent shows from Southern California schools and organizations have become an integral part of the National Orange Show, according to Perkins.

Questionnires requesting information on what type of entertainment will be offered and on what day of the 11-day exposition will be required accompanied the hundreds of general invitations placed in the mails by Perkins.

He stressed the importance of choosing a weekday because generally Saturdays and Sundays are crowded to the point where all requests cannot be filled.

Preference will be granted application requests, in so far as possible, in order of receipt, but applications received after January 14 will not be considered, Perkins said, in suggesting speed in returning the application forms to the National Orange Show.

Highly successful at the 1962 exposition, the Community stage will again be housed in the main Feature Exhibits building along with the golden feature exhibits. Housed under a roof there will be no cancellations, Perkins said, and more stage time will be available. New dressing rooms also have been added.

MISS LINDA JAMES, daughter of Mr. and Mrs. Donald E. James, 220 West Bonnie Brae Court, will be installed as Honored Queen of Bethel 287, International Order of Job's Daughters, on Saturday, Dec. 1.

The installation ceremonies will be held in the Upland Masonic Temple at 8 p.m. and will be followed by a reception and dance.

Miss James is a Senior at Chaffey Union High School.

Other line officers to be installed are the Misses Bonney Thrasher, Senior Princess; Judy Hood, Junior Princess; Helen Yukech, Guide; and Yvnn Dunston, Marshal.

Award Willome UCR Honors At Entrance

Harold Joseph Willome, a 1962 graduate of Upland High School, has been awarded Honors at Entrance at the University of California, Riverside.

He was presented with the certificate by Dr. Herman T. Spieth, Chancellor at UCR, at a reception for all freshman honor students held Nov. 20.

He is the son of Mr. and Mrs. H. E. Willome of 849 N. First Ave., Upland, and is majoring in Mathematics on the Riverside campus of the statewide University.

The Honors at Entrance program recognizes the high scholastic standing of students now entering college who achieved the grade of "A" in those high school subjects required for admission into the University.

These students are also automatically qualified for the undergraduate honors program at UCR.

The general campus of the University in Riverside was opened in 1954 as a small liberal arts college with 127 undergraduate students.

Due to today's increased student population in California, UCR was designated a general campus in 1960, complete with graduate school, and has an enrollment of 2,173 students this semester.

History Of Heart Clinic Reveals Public Support

By Mrs. Charles N. Walker

Because of the interest that has been expressed by many in the merger of the Mary Louise Griffith Rheumatic Heart Clinic with the San Antonio Community Hospital Auxiliary, it might be apropos to give a brief history of the background of the Clinic.

The proposal for the clinic to operate as a committee of the hospital auxiliary was approved by a formal vote by the Board of Members of the Rheumatic Heart Clinic at their annual luncheon meeting on Nov. 12, and by a formal vote of the Auxiliary at their regular monthly meeting on Nov. 19.

The Mary Louise Griffith Rheumatic Heart Clinic was founded by Dr. George C. Griffith, internationally known cardiologist, in 1946 and has been an integral part of the San Antonio Community Hospital in Upland since that time.

This clinic, which is held on the first Saturday of each month, examines 10.3 patients per month referred by doctors and school nurses for rheumatic fever and congenital heart defects.

As was pointed out by Dr. Hunter Crittenden (pediatric cardiologist of San Bernardino) in his speech before the Board of Members of the Clinic last week, approximately 130 babies are born in San Bernardino County every year with some type of heart disease. Eighty per cent of these babies can be cured by surgery and another ten per cent can be helped by palliative measures.

It is the work of this clinic to diagnose these cases and refer them for further cardiac treatment.

Although Dr. Griffith founded and was operating the clinic in 1946, it was not until 1950 that an organization was formed to shoulder the financial burden of this long-needed and important work. Mrs. Sanford Ballou of Ontario was the first elected Chairman of the Executive Board.

Prior to this formal organization, Mrs. A. L. Weber, Mrs. A. A. Alta, Mrs. Leslie G. Hoag and Mrs. L. J. Barden, among others, were instrumental in assembling a group of women interested in the continuance of the clinic's work.

These women, under the leadership of Mrs. Hoag, sponsored a benefit tea and fashion show which was held at the home of Mrs. Barden in Guasti in 1950. This successful venture precedented a series of spectacular benefit parties featuring such well known designers as Don Loper and Edith Head, which provided the funds for operating the rheumatic heart clinic.

In 1953 for the first time the clinic received financial aid from the local community chests when they accepted the organization as a participating agency. From these funds laboratory and X-ray fees are paid.

Due to this vitally needed United Fund support and increased public interest in the work of the clinic as shown by memorial gifts and other voluntary contributions, a very real service to many surrounding communities in the alleviation of heart disease has been made.

All of this could not have been possible without the inspiration and continuing professional help of the founder, Dr. George C. Griffith, and the skill and devotion of the fine staff of local doctors who donate their services.

These eight doctors, with an alternate doctor, work in alternating teams of four at the monthly clinics at San Antonio Community Hospital. Mrs. Mae Wadsworth has served as visiting nurse and Executive Director of the clinic since January 1951.

It is the sincere belief of the executive boards concerned, that merger of the San Antonio Community Hospital Auxiliary and the Mary Louise Griffith Rheumatic Heart Clinic will increase the capacity of both organizations to serve the community as a result of this association.

FINAL DECORATING and wrapping of fruit cakes was completed this week by the WSCS of the Cucamonga Community Methodist Church. Above are Mrs. Ed Hamilton, Mrs. George Mason and Mrs. Guy Wheatley. According to Mrs. Wheatley, the chairman of the project, the reputation of the cakes has grown in popularity until many persons order before the annual baking is started. The project started with 30 pounds of cakes five years ago. This year the women prepared 300 pounds. Orders may be placed with Mrs. Wheatley at YU. 2-6506, Mrs. Mason, YU. 7-2502 or Mrs. Callie Ford, YU. 7-1853. The remaining cakes will be on sale at the Smorgasbord and Bazaar Dec. 6 in Klusman Hall.

Card Section Meets Nov. 20

Members and guests of the Card Section of Upland Woman's Club met Nov. 20 in the clubhouse to play cards.

Mrs. Seymour Lydick and Mrs. Lloyd Fletcher, chairman of the section, were hostesses for the day.

The dessert table held a large arrangement of fruit, nuts, grapes and fall leaves in an unusual piece of driftwood. There was a bouquet of yellow chrysanthemums in the foyer with Thanksgiving figures placed beside it and a bouquet of chrysanthemums on the stage.

Each dessert card table held a table prize. Mrs. Lydick had made an attractive container in the fall colors and inside was delicious candied walnuts.

Beautiful Thanksgiving scene napkins further carried out the color scheme.

Those present were: Mmes. Ted Delsing, William Thomas, Carroll Nelson, Mabel Pruitt, J. F. Sawyer, Eva S. Moore, Mary Mote, Esther Keller, Etta D. Nance, E. F. Glenn, J. W. Kuhlman, C. F. Benninghoff, L. H. Banta, Dan Alter, Fred Keenan, Owen Davis, A. J. Robinson, Wm. Kooch, S. L. Urwin, H. L. Presba, Neal Van Dorin, B. M. Pace, Agnes Mathias, W. W. Woodward, C. E. Olson, Leigh Hunt, Ralph Almquist, Lloyd Fletcher and Seymour Lydick.

Dessert and coffee was served at noon.

The card section meets in the clubhouse at 9:30 the third Tuesday of each month. Chairman are Mrs. Seymour Lydick and Mrs. Lloyd Fletcher.

The following correspondence was noted: "The Contemporary Club of Redlands invites the members of the Upland Woman's Club to a Reciprocity Tea and Bazaar, Monday, Dec. 3 at 1:30 at the Clubhouse, 4th & Vine, Redlands Program by "The Highlighters."

Violin, Piano Recital Given

Violin and piano students of Mrs. J. B. Swingle were presented Sunday afternoon Nov. 25 in a recital at Mrs. Swingle's home in Upland.

Violin solos were played by Lee Dimmitt, Timmy Kellett, Connie Lopat, Jeannette Doughty, Suzanne Brewitz, Judy Armstrong, Robert Savage, Joe Martiniz and Michael Andrade.

Kristine and Timmy Kellett played a violin duet and Nadene Hannam Esther Hastings and Miss Kellett played a violin trio.

Piano solos were performed by Connie Mildren and Cynthia Shrosbrea.

Piano accompaniment throughout the recital was furnished by Janis Parker, Katie Marsh and Mrs. Swingle.

Native Daughters See California Resources Film

Mrs. Joe Zolin, 1325 N. Pleasant Ave., was the hostess Tuesday evening, Nov. 20, when Native Daughters of Ontario Parlor met for their regular social meeting.

A film of California and its natural resources was shown by Mr. William E. Sanders, Assistant State Forest Ranger. Mr. Sanders, who has been in the Forest Service for ten years, is also a native of California.

Following the film presentation, Mrs. W. L. Alexander, reported on her attendance at the Native Daughters and Native Sons grand ball at the Palladium in Hollywood on Nov. 17.

Following the dinner, members enjoyed dancing to the music of Lawrence Welk.

Mrs. Vincent J. Amalfitano announced that the Christmas party will be held at the Elks Club on Dec. 18. Members are reminded that husbands are invited and requests reservations be made by Dec. 15.

Partaking of refreshments in addition to those already mentioned were Mrs. Ted Wardell, Mrs. Lorin Robinson, Mrs. Charles Wilson, Mrs. Henry L. Lucas, Mrs. Paul Cushing, Sr., Mrs. Paul Breese, Mrs. Ashley Todd and Mrs. Ruth C. Ruth.

Future Nurses Gain Fifteen

New members of Upland High School's Future Nurses Club were announced today by President Lynette Billings. These girls will take a series of classes sponsored by the American Red Cross in order to qualify for active membership.

They are: Mary Kay Amos, Janet Black, Susan Burgeson, Patricia DeLeon, Jean Ellis, Jeralyn Fulton, Rita Flores, Sheryl Guintini, Anita Leise, Jean LaFond, Paula Meyer, Nancy Pascua, Barbara Jo Stebritz, Florence Wood, and Mary Linda Piercy.

Mrs. Shirley Cooper, R. N., and UHS staff member, is sponsor of the club.

Students Enter Forensic League

Two Upland High School students recently received word that they have qualified for membership in the National Forensic League.

Mary Lou Elliot and Helen Hart have won the required number of points by participating in speech events to merit membership in the national organization.

Announcement of their accentance was made by Jerry Sweedler, speech and English teacher at Upland High School.

SON ARRIVES

Mr. and Mrs. Arlen S. Dougr, and Mrs. Arlen S. Douglas, 9144 Calle Veiar, Cucamonga, at San Antonio Community Hospital.

Rev. T. L. Evenson

Grace Lutheran To Conduct Bible Studies

Grace Lutheran Church will hold a Bible Study meeting beginning Sunday, Dec. 2. The Rev. T. L. Evenson of the Lutheran Bible Institute of Los Angeles will lead the Bible study program.

The Bible study will give persons an opportunity to further their knowledge of the Bible and its implications on their daily lives.

Nursery care will be available for the youngsters.

Rev. Rusdahl also announced that Lorene and Warren Hendricks; Donna and Gordon McAuley; and Cindy, Kelly and Ted Tetzlaff received gift Bibles for 100 Sundays of attendance in Sunday School.

Grace Lutheran welcomes all interested persons to take advantage of its church facilities and fellowship located at 2108 N. Euclid, Upland.

Opal Callaway To Address Group On Genealogy

Mrs. Opal Callaway of Ontario will address members of the Pomona Valley Genealogical Society at 8 p.m. Thursday Nov 29 in the small community building at Palomares Park.

She will discuss "Research in County Records".

Mrs. Callaway, owner of Aladdin's Florist Shop in Upland, began her genealogical activities some years ago and has traveled extensively in the U.S. gthering data.

She recently returned from a research trip to Utah, Illinois, Virginia, West Virginia and Washington, D.C. Her discussion will include these states in addition to Oklahoma, Kansas, California and Pennsylvania.

Mrs. Callaway has been teaching in the Ontario area for the past two years and presently is conducting a basic genealogical course for the teen-age enthusiast.

The meeting is open to the public, anyone interested in genealogy is invited to attend.

Baldy View PTA News

Of special interest to Baldy View parents is the PTA meeting to be held at 7:30 p.m. on Thursday Nov. 29.

Guest speaker will be Miss Doris Hoover, a local teacher, who will present "Focus in Humanities of the Free World".

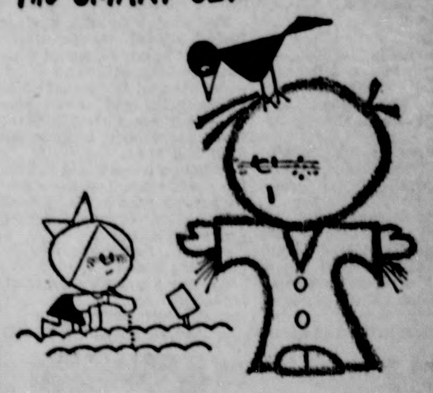

Miss Hoover has served three years in the Brethren Volunteer Service, helping displaced persons in Germany and Mexico.

Slides and a talk on displaced persons in Berlin, will be shown at the meeting.

Other dates were announced by Mrs. George Jayka, Baldy View PTA President, at a recent board meeting.

The week of Dec. 10 will be the annual Canned Food Drive. Mrs. John Padley, Welfare Chairman, asked for volunteers to prepare and deliver the Annual Christmas Baskets.

Chaffey Students Pledge $30,000 Toward Stadium

The Chaffey College Student Body has pledged $30,000 toward the building of a $300,000 stadium project.

Trustees of the college ordered the calling of bids on the south bleachers at the regular board meeting Wednesday, Nov. 21 so that contractr can be let at the Dec. 19 meeting.

In addition to the $30,000 Student Body pledge, which was approved by the group Tuesday, Nov. 20, other finances available for the stadium project include $51,000 in state grants, $30,000 in unallocated 62-63 capital funds, $100,000 in community service funds and the $92,000 payment on the old college campus from the Chaffey Union High School District.

The pledge by the Student Body, headed by President Celiene Chambers, would wipe out reserves with which students planned to purchase other facilities and would also obligate more than $18,000 of the student body budgets for 62-63 and 63-64.

Although trustees did not set the exact amount of money to be accepted from the student body, they commended the group for its offer.

Stadium lights are now in operation and the north bleachers are under contract for $98,000.

The south bleachers will include warehouse space to relieve the machine shop and aeronautics space. The stadium will also be available for summer recreation programs.

Although the building bond issue was defeated last April, completion of the campus facilities is expected to proceed faster than thought possible because of economies achieved in the air conditioning program by purchasing surplus equipment, regulations authorizing the use of community services tax levy for the stadium construction and additional state grants.

At the same meeting, trustees proposed a permanent cost-of-living plan to boost the salaries of the teaching staff.

Teachers present indicated that the plan would probably be acceptable as they had been seeking a flat percentage increase each year. The plan may be adopted at the board's Dec. 19 meeting.

The proposal would give the staff an annual increase based on the Los Angeles consumer price index plus the standard promotional and length-of-service increases.

Other plans are also under consideration.

Bank To Build Another Office

Ralph V. Arnold, President of The First National Bank of Ontario, announced that the bank has purchased property at the southwest corner of Euclid Ave. and Francis St., subject to the approval of the Ontario Planning Commission, for the bank's new South Euclid Avenue Office.

The 150 x 150 lot is being purchased from Mr. and Mrs. ohn P. Cuccia and Mr. and Mrs. Eugene J. Bernardini.

Arnold states that a very attractive small bank building is being planned for the site, with drive-in teller service.

Women's Guild To Meet Nov. 29

The Women's Guild of the Church of Religious Science of Pomona Valley will hear Dr. Oswald Jefferson, rector of the Episcopal Church in Claremont, Thursday, Nov. 29.

Dr. Jefferson is a frequent writer for the Science of Mind magazine.

Dessert and coffee will be served at 1 p.m. with the program following. All women are invited to attend.

Dystrophy Drive Opens December 1

Marchers for Dystrophy! Scores of local volunteers in San Bernardino County will 'walk with a purpose" Saturday and Sunday Dec. 1 and 2. They are crusaders in the March Against Muscular Dystrophy.

The volunteers will visit homes in cities and communities, seeking contributions to aid nearly a quarter million Americans stricken with the muscle-wasting, fatal disease.

All volunteers will wear the Jerry Lewis tag of identification, authorizing them to collect funds for Muscular Dystrophy Associations of America, Inc.

County Campaign Chairman Warren Brant, Redlands, announcing the 1962 dystrophy campaign, said: "7 out of 10 victims of MD are children in whom the disease is usually fatal. Finding the cause and cure of this tragic disease is the dedicated purpose of the MDAA program.

'No money is being spared in order to give these children and all those afflicted, help and hope for the future."

Since its inception in 1950, MDAA has expended $16,000,000 for medical and scientific research, and over $11,000,000 for patient services. In our immediate area to date, over $500,000 has been allocated for MD research and this year, over $100,000 in grants-in-aids were given to seven local research projects located at UCLA and Veterans Administration Center.

"Monies raised during the December drive will help support two MD clinics located at Orthopedic Hospital in Los Angeles and Casa Colina Rehabiliation Center in Pomona; the Chapter program of assistance to MD patients; a summer camp program for MD youth, and recreational activities.

"Watch for the MDA volunteer wearing the badge and give as generously as you can". Brant concluded. The MDAA drive for funds will continue through the month of December.

Photographic Exhibit Set At Chaffey

Chaffey College will present a photographic exhibit in the Little Theater Foyer from November 28 through Jan. 11, it was announced by Robert J. Fleck, Chaffey Art Teacher.

The display will feature the work of Earl Scott, well known free-lance photographer. The display is made up of black and white experimental prints, showing creative ideas in photography through the use of the photographic image and individual expression.

Large photographs, which are of the type that are used for photomurals and architectural decoration will be shown. They are mostly 5 x 7 feet in size.

"Mr. Scott relies more on design and texture, rather than conventional photograph that is a 'picture", Fleck stated.

Scott attended the Art Center School in Los Angeles after coming to California from Kansas City, Mo. He is well known for his record album covers, and tourist promotions.

The display will be open to the public everyday during regular school hours.

Nurses Hear Coordinator

The Chaffey College Registered Nurses Alumnae met Monday evening, Nov. 19, in Dr. Carter's office, Ontario, Mrs. Ruth P. Schindler, coordinator of nurses at Chaffey College, addressed the members.

She explained a few new policies put into effect at the school of nursing and gave the graduates an idea how the course was progressing.

A business meeting was conducted after the speaker. A membership drive is on in an effort to obtain membership for every registered nurse graduated from Chaffey College. Mrs. Lawrence Baker is in charge of the drive.

An election was held and proposed changes in the constitution were passed. The meeting night will be changed to the third Monday of every other month beginning with the first meeting to be held Jan. 21, 1963.

The new representative from the nursing department at the college was elected, she will be Mrs. Andrew Pompurs. Miss June Teitsworth will be the representative from the college general staff.

Saturday Dec. 1, the group will hold a bake sale of home made foods. The proceeds will be used to assist the student nurses of Chaffey College to buy books or whatever is needed.

Those attending: Mmes. Lawrence Baker, Donnald Connolly, Richard DeLacy, Jack Gretta, Walter Houston, Alfred Keller, Paul Koch, Kenneth Wilkinson.

Holiday Home Tour Scheduled

"Passport To Happiness", a Holiday Home Tour in Claremont North, is planned for Dec. 1 and 2, to raise funds for Community Mental Health Agencies.

Members of the Pomona Valley Mental and Emotional Health Association, - Escalon, of Covina, Whittier and Monterey Park, - The Pioneer Foundation of Pomona, and the Ontario - Pomona Association for Retarded Children, will assist in this project.

The homes are located at 1011, 23, 35 Ottawa Drive in Claremont, just north of Foothill Blvd. and east of San Antonio Ave. They will be decorated for the holiday preview and will be filled with the aroma of baking cookies. Holiday music will fill the air. Refreshments will be served.

Representatives will be on hand to answer questions on activities of the above mentioned agencies. A Preview of Holiday Decor, as well as the fashions, are sure to delight the ladies.

Tickets will be available at the door or at OPARC in Ontario. Included, is a chance for several door prizes; a mink trimmed chasmere sweater, holiday decorations, jewelry, and a transistor radio. Doors will open Sat. Dec. 1, at 10 a.m. until 10 p.m. Sunday, Dec. 2, from 1 p.m. until 10 p.m. Drawings will be held on Sunday, 10 p.m.

YFC To Hear Communist Youth Report

Celebrating 11 years of work among Valley teenagers, Youth For Christ will be hosting the 11th Anniversary celebration at 7:30 p.m. Thursday Nov. 29, at the Covina Woman's Club.

Special guest at the reception will be Dr. Roy B. McKeown, executive director of Los Angeles Youth For Christ, who recently returned from the Communist Youth Festival, held in Helsinki, Finland.

Dr. McKeown attended the Youth Festival as a reporter for the Hearst newspapers. He will be showing colored films of this annual Youth Festival, which this year attracted 13,000 young people from 143 countries of the world.

Scenes in the film include the student-led riots, the giant parade at the Olympic stadium, the speech by Russian astronaut Gagarian, and interviews with some of the American delegation.

Dr. McKeown has travelled extensively, visiting scores of the countries of the world, including India, Mexico, Denmark, Venezuela, Brazil, Japan, England, and Russia.

One of the highlights of his ministry has been speaking to the U.S. military personnel in Japan, Korea, Berlin, Panama, and across the United States.

He appears daily on radio broadcasts, and is seen Sunday night on television. He is a former first-vice-president of Youth For Christ International. His message will be timely and appropriate for the Anniversary Reception.

Recording artist and soprano soloist, Mrs. Joyce Landorf of Montclair will be bringing special musical numbers. Mrs. Landorf records for Supreme Recordings, and formerly was on the staff of Youth For Christ.

The Anniversary Reception is sponsored by Youth For Christ for interested adults, and free reservations may be obtained by calling the YFC office at Edgewood 4-3094.

Executive Director, Ray Schutte announces there are 700 free seats at the Covina Woman's Club. Refreshments will be served at the conclusion of the reception.

'Las Posadas' In 31st Season

The charming and colorful story of Christmas in Old Mexico, "Las Posadas", is now in its 31st annual season at Padua Hills Theatre.

The three-act play is interspliced by the coloquio scene of Panchita's dream of The Nativity, dramatically staged with brilliant lighting effects, ranging emotionally from pastoral settings to a furious battle, pitting the devil and Angel Gabriel.

First and final acts of the play involve a humble Mexican family in a financial problem at Yuletide, which is resolved for the tune-filled fiesta following the breaking of the pinata, Mexican version of the American-European Christmas tree.

"Las Posadas" is staged six times weekly, Wednesday through Saturday. The Mexican Players also entertain at luncheon and dinner daily except Mondays in the dining room of nonprofit Padua Institute.

Post Office Starts Urging 'Mail Early'

Although Christmas Day is mless than one month away, it's not too early to begin thinking about the mailing of gifts and cards which add to the pleasure of the happy observance, Raymond R. Holmquist, regional director of the Post Office Department, said.

Holmquist said the Post Office Department is geared to handle an all-time record amount of mail during the busy Yule season but it will require an assist from the patrons.

"We believe we will handle more Christmas mail better than ever before and with less manpower," Holmquist said. "However, we will need the cooperation of our patrons in meeting mail-early deadlines."

The postal official said plans for the speedy and efficient movement of the 1962 Christmas mail have been in the making since the first of the year. Postmasters have been holding conferences with supervisors and other employees for the past several weeks in working out local problems to aid the Department's "push," Holmquist added.

Meetings of post office transportation experts have been held on national and regional levels and dispatch schedules worked out to assure the smooth flow of the gigantic volume of mail expected to hit the individual offices during late November and the first three weeks of December, the regional director siad.

Holmquist pointed out that patrons can assist the postal workers in delivering the Christmas mail by observing the following deadlines:

Mailing of gift parcels for distant states during the first week of December; mailing of gift parcels for local and nearby areas by Dec. 12.

Mailing of greeting cards for distant states by Dec. 10 and mailing of cards destined for local and nearby points by Dec. 15.

Holmquist said if the deadlines are met, patrons can expect delivery of the parcels and cards not later than Christmas Day. Surface mail for Alaska and Hawaii not prepaid at the first-class rate should be mailed not later than Dec. 1.

The Post Office Department has announced that window service hours, for the sale of stamps and acceptance of parcel post, may be extended beginning December 10, providing mail volume justifies. Window service for sale of stamps and acceptance of parcel post will be maintained all day on Saturday on Dec. 15 and Dec. 22 also if the need is justified.

Galatians 2:4

And that because of false brethren unawares brought in, who came in privily to spy out our liberty which we have in Christ Jesus, that they might bring us into bondage:

Congratulations

YES, CONGRATULATIONS are in order for the citizens of Upland for passing the $2 million Water Bond Issue so overwhelmingly – by an 82% supporting vote.

It was a good and wise decision. Your future – and ours – depends on our opportunity to enjoy water and excellent water facilities.

We will have an increased need for more water in the coming years.

Congratulations are, indeed, in order for all Uplanders.

THE PRICELESS KEY TO UPLAND'S FUTURE

YES, WATER is a priceless key to our future.

The favorable vote now means we will have a healthy and pleasant and prosperous community to live and work in as we look ahead.

During the rapid growth of Upland in the future, we will have adequate water for our home use, for our businesses, our industries — for our parks and lawns and trees —

We will have a secure atmosphere as we grow. We will be a proud people for we are taking care of ourselves.

And we now can turn our attention and our efforts to other civic matters that will keep Upland, our beloved community, one of the finest in all Southern California.

THE WATER BOND COMMITTEE

Andrew Barmakian, Chairman

William Rugg Jr.	John Alderman
John Andreas	Russ Hazen
Paul Hottel	John Ward
Mrs. C. P. Jacobs	Mrs. Wm. Fitzsimmons

Obituaries

Robert Likins

Robert W. Likins, 1671 N. Laurel Ave., Upland, died Friday, Nov. 23 at Kaiser Foundation Hospital following an illness of two years. He was 41.

Mr. Likins was former Industrial Relation Superintendent at Kaiser Steel where he worked from 1951 to 1960 and was associated with the Arthur Young Co. of Los Angeles until illness forced him to retire.

Born May 12, 1921 in Portland, Ore., Mr. Likins came to Upland four years ago.

He attended the University of Southern California where his studies were interrupted for Maritime Service during World War II. He later graduated cum laude from San Jose State College.

He was a javelin thrower on the 1948 U.S. Olympic Team and journeyed to London for the Olympic games that year.

Mr. Likins is survived by his wife, Phyllis J. of Upland; a daughter, Kimberly Sue, 10, and two sons, Jack M., 17, and Robert B., 15, of the home address; three wards, Julie Salmon, 13, and Margaret Salmon, 21, at home and Mrs. Ronald Robinson with her husband in Germany; and one sister, Mrs. Charlotte Allen of Ontario.

Funeral services were held Monday, Nov. 26, at Stone Funeral Home with Rev. Richard E. Pitts of the First Methodist Church of Upland officiating. Interment was at Portland, Ore.

Memorial contributions may be made to the Cancer Fund.

George Pyne

George Edward Pyne, Jr., 9669 8th St., Cucamonga, died suddenly Tuesday, Nov. 20. He was 42.

Mr. Pyne was born Sept. 25, 1920 in Brockton, Mass. and had lived in California for 25 years. He had been a resident of Cucamonga for two years and was employed as a painter by David Painting Corp.

He is survived by his wife, Emily of Cucamonga, his parents, Mr. and Mrs. George E. Pyne of Alta Loma; and one brother, Robert of Anaheim.

Funeral services were held Saturday, Nov. 24 at St. Joseph's Catholic Church, Upland. Interment was in Bellevue Cemetery.

Draper Mortuary had charge of arrangements.

Beatrice Mezzie

Beatrice Irene Mezzie, 9156 19th St., Alta Loma, died Nov. 22 in an automobile accident at Norco. She was 19.

A graduate of Upland High School, Mis Mezzie was in her freshman year at Chaffey College.

She was born Aug. 20, 1943, in North Tonawanda, N. Y. and had formerly lived in Upland and Ontario moving to Alta Loma 6½ years ago.

She is survived by her parents, Mr. and Mrs. Carl Mezzie of Alta Loma; one sister, Mrs. James Raye of Fontana; two brothers, Robert of Fontana and Carl, Jr. of Milwaukee, Ore.; her maternal grandparents, Mr. and Mrs. Harry Allen of Wellsville, N.Y. and her paternal grandmother, Mrs. Julia Mezzie of Alden, N.Y.

Funeral services were held Monday, Nov. 5, at Stone Funeral Home with Rev. Joe B. Pippin and Rev. Louis Johnson of the Community Foursquare Church, Upland, officiating.

Entombment was in Bellevue Mausoleum.

Nora Truesdale

Nora Truesdale, 2105 N. Euclid Ave., Upland, died Nov. 25 in Plott Nursing Home, Ontario, following a lengthy illness. She was 88.

Born July 26, 1874 in Perry, Kan., Mrs. Truesdale had lived in Upland for 17 years coming from Shandon, Calif. She was widowed in 1947.

She is survived by a daughter, Mrs. Donald Gibson of Upland; three sons, Ralph of Altadena, Everett of Bakersfield, and Hugh of La Crescenta; a twin sister, Mrs. Zora Truesdale of Paso Robles; one brother, Ira Grainger of Phoenix, Ariz.; six grandchildren and 16 great-grandchildren.

Funeral services will be held at 2 p.m. Thursday, Nov. 29 at Kuehl Funeral Chapel in Paso Robles. Interment will be in Shandon Community Cemetery.

Stone Funeral Home had charge of local arrangements.

Jessie Holmes

Mrs. Jessie McCloskey Holmes, 715 W. J. St., Ontario, died Nov. 26 at her home following a short illness. She was 72.

Mrs. Holmes was born March 25, 1890 in Topeka, Kan. and had lived in Upland and Ontario for five years. She was widowed in 1943.

She was a member of the Upland Woman's Club, P.E.O. Sisterhood and the White Shrine O.E.S. in Kansas.

Survivors include a daughter, Mrs. T.L. Ghan of Montclair; a sister-in-law, Mrs. Walter Holmes of Oswego, Kan.; and several nieces and nephews.

Funeral services were held Wednesday morning, Nov. 28 at Stone Funeral Home with Mrs. Harry Cousins, Christian Science Reader, officiating.

Graveside services will be held Friday, Nov. 30, in Oswego, Kan.

Dorothy Joynes

Dorothy May Joynes, 224 E. J. St., Ontario, died Nov. 24 at her home after failing in health for the pas t threen years. She was 67.

Mrs. Joynes was born in England March 26, 1895 and came to this area nine years ago from Kingman, Ariz.

She is survived by her husband, Albert of Ontario; one daughter, Mrs. J. H. Varnado of Ontario; one brother, Leon Lakin of England; and two granddaughters.

Funeral services were held Tuesday, Nov. 27 at Stone Funeral Home with Rev. H. W. Blackshear of the First Methodist Church of Ontario officiating. Private cremation followed.

Kiwanians Hear Of Communications

An entertaining review of the communication — or lack of it — between business and public was offered by Walter C. Prill, educational services manager of Southern Counties Gas Co., when he spoke to the Upland Kiwanis Club on Tuesday, Nov. 27, at their luncheon

Entitled "Is Anybody Listening?" Prill's speech gave many humorous instances of letters received by his firm and by other businesses dealing directly with the public. Prill also outlined some of the problems in communication and told how the gas company tries to improve its communications with the public.

Much More Milk

Shady Grove Progressor Fayne, a six-year-old registered Holstein cow owned by C. S. Musser, Upland, has completed an official 365-day record of 16,642 lbs. of milk and 630 lbs. of butterfat.

The University of California supervised the weighing and testing of production as a part of the official breed improvement programs of The Holstein-Friesian Association of America.

In announcing the new record, a spokesman for the national Holstein organization said that it compared to the average cow's annual output of 7,211 lbs. of milk containing 270 lbs. of butterfat.

FINAL PLANS for Jaycee membership breakfast on Saturday morning, Dec. 1, include plenty of eggs and John Reilly, Jaycee membership Director, left, shown with Abbie Johnson and Warren Roberts surveys a part of the eggs that will be served to an exjected 100 guests. Upland-Ontario Junior Chamber of Commerce is holding breakfast to acquaint prospective members with benefits of Jaycee program of self development and community service. Speakers at breakfast will include Anthony Longhetti, Jaycee National Director and Lloyd Jones, Jaycee State Vive-President.

UC Spartans Host Cal-Tech On Friday

Spartans of Upland College will face a crucial two-game series this weekend when the locals host Cal-Tech on Friday and rival La Verne on Saturday evening. Both encounters will be played at the Upland College gymnasium with the opening tap set for 8:15 p.m.

There will be no junior varsity contest Friday but one is scheduled to get underway at 6:15 on Saturday evening against the visiting Leo junior varsity.

The Spartans started the season off on the right foot two weeks ago by downing the Alumni, 58-35, in an easy fashion after a shakey start. For the past two weeks Coach Paul Trautwein has been drilling his charges in hopes of smoothing out the early season miscues and the defensive alignments against the upcoming foes.

Last year the Spartans split in the two games with the Engineers. On the home fortress the locals posted a 54-49 win while dropping a 65-59 decision at Cal-Tech.

As the scores indicate, the Engineers play a conservative game, lacking the big man, and rely on speed and percentage shot.

Saturday evening is the one of the two grudge games of the year with long-time rival La Verne College. The Leos came out the victor in the two encounters last year, dumping the locals easily in the first meeting, 98-64, but having to hold on to win the second game, 66-51, after a second-half comeback that fell short.

La Verne will present one of the top powers in the cage circles this year with the acquisition of three junior college transfers from Mt. San Antonio College, all in the starting unit. Spartan guard Ray Plutko was a team mate of the trio two years ago.

The Spartans will try to get some scoring punch from the forwards and center shots as the two guards Plutko and Jim McCoy combine for a total of 31 points as compared to 13 by the other three starters. Plutko hit for 17 markers and McCoy for 14, both getting seven field goals.

Next week the locals will take part in the Golden State Tournament, meeting Los Angeles Pacific in the first round play. Eight teams are entered in the three day tourney hosted by Azusa College.

Five Complete First Aid Course

The completion of a course in Standard First Aid given by the Upland Chapter, American National Red Cross, has been announced by Mrs. John Alderman, Chapter Executive Secretary. The 10-hour class was instructed by Benjamin L. Mackall.

Receiving Red Cross certificates were Mrs. James A. Mertz and Mrs. H. W. Pochyla, both of whom are drivers for the Chapter's Motor Service, Mr. and Mrs. Lionel Haynes, and Mrs. Russell Tieman.

NEW SON

Mr. and Mrs. Jack D. Douglas, 883 Magnolia, Upland, announce the birth of a son on Nov. 19 at San Antonio Community Hospital.

Pioneer PTA Meeting Has Parent-Teacher Panel

Should children be given rewards for good grades, or bribes to improve their grades?

How does the school — by what standards?

Should parents interfer in student-teacher relationships?

These questions and many others were the subject of discussion by a teacher-parent panel at last week's PTA meeting at Pioneer Junior High School.

Questions were submitted to the panel by parents in advance of the meeting and many more came from the audience of some 35 parents.

Parents participating on the panel were Mrs. John Pierce and Mrs. M. D. Hanlon, Mr. Verne Murray and Mr. Job Verne Murray and Mr. Job Mowe.

Teachers on the panel were Mr. Shelby Forrest, Principal of Pioneer and Foothill Knolls schools, Messrs. Loyd Roland, Robert Surprise, Don Brownell, Miss Ann Weinhardt and Mmes. Ralph Simmons and Lloyd D. McCallum.

Miss Weihardt spoke for the panel in answer to the question on rewards for good grades, and said "defeinitely not." The panel seemed in agreement that rewards and bribes had an adverse effect on children's work in the long run.

Mr. Forrest explained the general philosophy of grading at Pioneer. An "A" is considered, he said, an inflexible mark for exceptional work above grade level. "B" and "C" grades were flexible, and "D" grade is given where the student is not working up to his level. "F's" are rare, Mr. Forrest said.

Mrs. McCallum pointed out the advisability of parents not interfering in student-teacher relationships at once, but waiting a few days until the student and the teacher had some time to work out the difficulty. Often, she said, a teacher and a student can become good friends when they have a chance to get to understand each other better.

Problems peculiar to the new Junior High School in Upland's northern sector comprised a prominent part of the discussion. Of major concern to parents was the grassless athletic field where injury hazard is increased by the rocky, hard dirt surface.

Mr. Forrest pointed out that grass on the athletic field comes under the state financing plan, the mysteries of which no one fully understood, and grass for the field is not in immediate sight.

The advisability of magazine sales to establish a student activity fund was discussed at length, along with possible substitutes for raising money for the fund. The student activity fund provides the money for the Honor Society trip, assembly programs, parties and dances, fees for referees for games, athletic awards and the memorial a class leaves to the school. This fund is authorized by the local school board.

Among other questions from parents were the problems of detention, cheating in school, the kind of sports played and the California Test of Mental Maturity.

Both parents and teachers were pleased at the type of meeting held, and one parent said at the meeting. "This is one of the nicest PTA meetings I have ever been to after 15 years of belonging to PTA."

Program chairman of Pioneer PTA is Mrs. William Walton, and President is Mrs. D. H. Veirs, who presided over the opening of the meeting.

A similar type meeting will be held after the first of the year on the subject of social relationships in the Junior High School.

Central District Schools Hold Safety Program

The Central School District schools - Valle Vista, Cucamonga Junior High, and Central Elementary School were fortunate to have Traffic Officer, John Traver, from the San Bernardino office of the California Highway Patrol.

Officer Traver showed films which dealt with bicycle and pedestrian safety to children in the elementary schools. Children were allowed to ask questions about safety problems which they might encounter going to and from school.

The junior high school students saw a film entitled "Broken Glass." This film dealt with research done by the Motor Vehicle Department treating with the results of collisions between motor vehicles.

Still pictures were also shown of the results of automobile accidents.

Officer Traver came to the Central School District at the invitation of the Superintendent, Marion R. Adkison.

Central School District has had the California Highway Patrol officers come into the schools for several years as part of the school safety program.

With Men In Service

Michael H. Williams, interior communications electrician fireman, USN, son of Mr. and Mrs. Elmer C. Williams of 5903 North Sapphire, and Gary K. Linden, airman apprentice, USN, son of Mr. and Mrs. Bernard H. Linden, 7184 Beryl Ave., both Alta Loma, are serving aboard the attack aircraft carrier USS Bon Homme Richard, deployed outside the United States.

The carrier is expected to visit several foreign ports during the deployment.

* * *

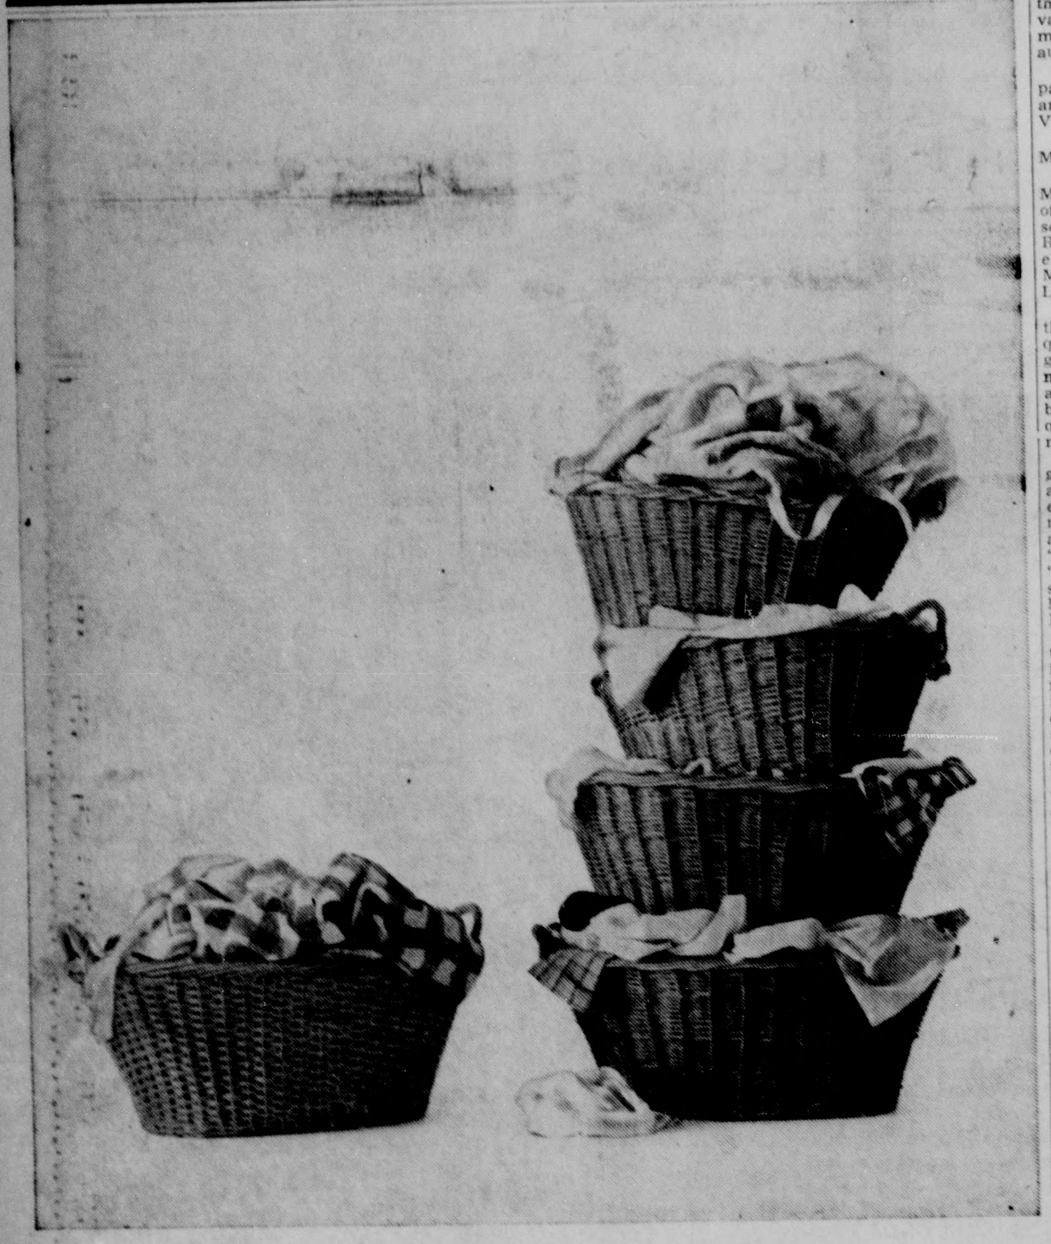

Navy Ensign Dennis A. Shannon, son of Mr. and Mrs. Robert Shannon of 1199 Tulare Way, Upland, and Ensign John P. Holland, son of Mr. and Mrs. Stanley D. Holland, 7242 Garnet St., Alta Loma, were graduated, Oct. 26, from the Navy's Officer Candidate School at the Naval Station, Newport, R. I.

They received their commissions as a naval officers upon graduation from Kenneth E. Belieu, assistant secretary of the Navy.

The 16-week training period for college graduates and outstanding fleet personnel covers various naval subjects, including leadership, watchstanding, military law and the duties and responsibilities of a division officer.

UHS Poloists Defeated 14-5 By Fullerton

After a first-round victory over La Serna in the California Interscholastic Federation playoffs, Coach Jim Stewart's Upland High School water poloists were defeated by Fullerton 14-5 last Wednesday at Long Beach Wilson High School.

The Highland poloists were entered in the tournament for the third consecutive year, but the 10-4 victory over La Serna a week ago was the first UHS victory in a CIF water polo playoff.

All-CIF candidate Jack Likins scored five goals in the first game played at Montebello while Rick Strack added three, and junior Chris urst tallied two. Goalie Gary Desilets and all-CIF candidate Jack Lincke led the defense.

John Whittaker scored three, Likins scored one, and Rick Strack added one, but Fullerton came alive in the second time score of that game was 4-2 in favor of Fullerton.

Although the won-lost record of 13-3 is not the best in UHS history, the '62 poloists rooted the name of Upland into the ranks of the So Cal best with impressive showings against the state's most respected teams.

Eight seniors will be lost to graduation this year. They are Likins, Lincke, Strack, Whittaker, Desilets, Gideon Letz, Conrad Johnson, and Richard Gardner.

Coach Stewart will build his next-year's team around Hurst, John Foody, Bob Likins, Cory Aylor, Dick Martin, and Gerald MacAuley.

Several Upland polo players will continue practice for an Amateur Athletic Union sponsored tourney to be held in El Segundo in mid-December.

Thursday, Nov. 29, 1962

NOTICE INVITING BIDS

Sealed bids will be received by the undersigned until 2:00 p.m., Monday, December 17, 1962 for the furnishing of one (1) One Ton Truck & Chassis. Specifications may be obtained in the City Manager's Office. The City of Upland reserves the right to reject any and all bids.

OPEN SUNDAY & EVENINGS
For Your Convenience

Thursday, Nov. 29, 1962

Mrs. Dorothea M. Robinson and her daughter from Kentucky; Mr. and Mrs. Charles P. Temple, Sr., from Michigan; and the Russell Chapin family from Washington are all welcome newcomers to Upland.

Also on our welcome list is the David P. Johnson family from Ontario and Mr. and Mrs. Ortize L. Moore and their two children from Montclair.

Mr. and Mrs. Hal G. Ledford and their three children moved to our community recently from Santa Ana and Mr. and Mrs. Ernest R. La Pointe and their nine children came to us from Pomona.

We welcome to Upland new neighbors Mr. and Mrs. Horace I. Bashor and their two children from Ontario; also the M. E. Ellis family from Glendale; and Mr. and Mrs. Kenneth R. Dimmitt from Ontario.

We welcome newcomers Mr. and Mrs. William J. Feagins and their four children from Arizona; also the Kenneth C. Hanna family from South Dakota; and Mrs. Ruby M. Augustine from Minnesota.

Mr. and Mrs. James W. Griffin and their four children are new residents from Cucamonga and Mrs. Joan Arnold and her two children came to us from Ontario.

Other recent arrivals include Mr. and Mrs. Thomas W. Keaton who came to our area from Ontario and the Chester J. Rudy family who also came to us from Ontario.

Welcome new neighbors are Mr. and Mrs. Robert T. Briggs from Garden Grove; the William H. Atkinson family from San Diego; and Mr. and Mrs. Henry Rietkerk and their four children from Buena Park.

Report new neighbors to your Hospitality Hostess, Mrs. Lois Butler, at Yu. 6-7080. She will bring them a friendly welcome, gifts of goodwill, and much needed civic information.

Prof's Book Dedicated To College

Paul S. Delp, Professor of Philosophy at Upland College, has dedicated his newest book to the administration, faculty and student body of Upland College.

Entitled "The Journey of the Human Spirit" the volume is of a devotional nature and offers spiritual insights seldom experienced in other similar books.

Glenn Randall Phillips, Bishop of the Methodist Church, Denver, has authored the introduction and states that "this is a volume to live by."

The chapter headings introduce the reader to a rich variety of topics designed to stimulate the devotional life. Such chapters as, 'Prayer Patterns,' 'A Place of Prayer,' 'Posture of Prayer' and 'The Time of Prayer,' should prove valuable to the reader.

The dedication has been made "to the Administration, faculty and students of UPLAND COLLEGE whose warm friendship and understanding have been a constant source of encouragement on our journey together."

The books are available by contacting Professor Delp at the College.

Spartanettes To Face Azusa

Coach "Posey" Pyke will send her Upland College Spartanettes — female edition — against the Azusa College girls in quest of their fourth straight win of the young season Monday evening, Dec. 3. Opening tap is set for 6:30 p.m. for the non-conference encounter.

The locals have posted impressive wins over Life (34-27), Los Angeles Pacific (78-11) and the most recent triumph over the Alumni (31-17).

Linda Farley, leading scores last season, continued to lead the locals in scoring again this year by connecting for 13 points on six field goals and one free throw. In the three games to date, Farley has hit for 48 points on 21 field goals and six charity tosses, good for a 16 point average.

Other leading scorers are Mary Lyne Anderson with 32, Gail Musser with 24 and Cathy Nissly with 21.

Anderson transferred from Azusa this fall and has proved to be a real asset to the squad. She has managed to win a first team berth after one game.

Top defensive stars to date are Sue Frankson, Grace Raser, and Janet Crider.

FOOD GIANT

"I buy the best meat here!"

"With my busy schedule, I consider the time spent shopping for meat at Food Giant an investment which brings tremendous returns. In a matter of minutes, I can easily and quickly select meat that I know will give my family wonderful eating enjoyment and fine nutrition. Tender, fresh, appetizing meat is guaranteed by Food Giant and the low prices mean that I can always save money here! If quality, money and time are important to you, it's not only a pleasure but good business to shop at Food Giant!"

Mrs. Jean Nesper, a satisfied customer at Food Giant/Oxnard

Dedicated To Building A Bigger And Better Community In Which To Work, Live And Relax

AN EDITORIAL

League of Women Voters -- A Local Necessity

Recent elections have pointed up a need in our community, one that is filled admirably in other communities by a League of Women Voters.

In the Nov. 6 general election, the League provided voters with information on the 25 ballot propositions and on candidates as a non-partisan effort to not only get out the vote, but to get out an informed vote.

With the help of experts in various fields, the League prepared booklets of pros and cons on the ballot propositions. They also provided voters with information on the background of candidates, and candidates' answers to questions posed by the League.

* * *

We could use the same kind of service in our community when local elections roll around, whether an election of city councilmen, or a bond issue, or what have you.

In the past there has been a need for a public forum at which all candidates can appear before the public and state their aims, their programs, platforms and proposals.

It would be beneficial to everyone for such a non-partisan group to also provide background material on candidates.

When it comes to bond issues, full information is vital for the electorate to make a wise decision.

The League of Women Voters is strictly non-partisan.

Information on a bond issue, for instance, coming from the League could escape the charge of bias that information put out by one side or the other usually receives.

Membership in a League of Women Voters does not preclude political activity of an individual. Members are encouraged to participate actively in the work of the party of their choice.

However, board members are cautioned not to actively engage in party work.

The League did yeoman's work in the last general election on a statewide basis.

* * *

We would like to see a LOCAL League organized here. A regional or state organization does us little good in the matter of local elections.

There are women in this community who know our local situation, would like to do all in their power to promote informed voting in local elections.

Let's get together and get a League started.

This newspaper would be happy to do all possible to get a League started and operating on a LOCAL LEVEL in our community and to support it with our means of getting information to the public.

SONATAS for piano and violin will be presented at 8 p.m. Friday, Nov. 30 by the Casa Colina Women's Auxiliary. Pianist Lee Pattison, shown here with Mrs. Charles Campbell, Ways and Means Chairman, center, and Mrs. Arthur Donovan, Concert Chairman, will perform with violinist Jascha Veissi. The concert will be held in the Common Room at Casa Colina in Pomona. The artists are members of the Scripps Chamber Music Players and have appeared in many cities throughout the United States. Proceeds will be used for the work of Casa Colina Rehabilitation Center.

Linde Completes Major Coast Expansion

Production of liquid oxygen and nitrogen on the West Coast has been more than doubled with completion this week of a 450-ton-per-day expansion at the Fontana, plant of Linde Company, Division of Union Carbide Corporation.

Robert F. Smith, Linde production manager at Los Angeles, said the expansion will meet mounting requirements of western firms engaged in aerospace development projects. Construction started in March under the direction of Kaiser Engineers.

Completion of the new facilities marks the seventh major increase in production capacity at Fontana since the plant went into operation in late 1953.

Largest in the West — and second largest in the United States — Linde's Fontana plant now produces nearly 800 tons per day of liquid oxygen and nitrogen. The company's plant at East Chicago, Indiana, still ranks as the Nation's top producer.

Major market for liquefied gases produced at Fontana is the West Coast aerospace industry, whose requirements for liquid oxygen and nitrogen are growing rapidly as a result of stepped-up programs by NASA and the Air Force.

Liquid oxygen is used as the oxidizer in practically all liquid-fueled rocket systems now operations or under development. Liquid nitrogen is used extensively for cold flow testing of cryogenic fuel tanks other rocket engine components as well as for pressure testin of cryogenic fuel tanks in missiles and static test stands.

The cryogenic refrigeration of environmental test chambers to simulate conditions of outer space is also provided by ultra-cold (-320 deg. F) liquid nitrogen.

Capacity of Linde's Fontana plant will receive another boost in mid-1963 with completion of additional production facilities to meet increased demands of Kaiser Steel Corporation's adjacent mill.

Pipeline supply of high purity oxygen, currently running at 430 tons per day, will be boosted to 750 tons per day and an added supply of 122 tons per day of high purity nitrogen is now being installed.

Bulk of the new oxygen supply will be used by Kaiser for oxygen steelmaking, while the nitrogen will provide blanketing amospheres for annealing operations. The increased supply of oxygen will make Kaiser one of the largest isngle-location users of oxygen in the steel industry.

Fontana is one of seven Linde plants serving the aerospace industry on the West Coast. Liquid oxygen and nitrogen are also produced in a 340-ton-per-day plant at Pittsburg, Calif., and in facilities at Seattle, Berkeley and Los Angeles.

Liquid hydrogen has been supplied since mid-1960 from Linde's 6-ton-per-day plant at Torrance, Calif., and since June, 1962 from a 26-ton-per-day plant at Ontario.

Construction of a60-ton-per-day liquid hydroge plant at Sacramento, Calif., is scheduled to begin shortly under an $85 million supply contract awarded by NASA in June.

Chaffey AMS Instigate Man of Month

Men students face secret competition as the Associated Men Students plan to instigate a contest program to honor one man each month for his contributions to Chaffey College.

Associated Student Body Vice-President, Doug Shaw, October for what A.M.S. feels as exceptional performance of the duties of his office.

"We feel that Doug Shaw has demonstrated courage of conviction," satted Bill Millard, A.M.S. president. "He has shown no fear of playing functional non - conforming roles."

Doug considers the registration of political parties on the Chaffey Campus as his personal responsibility. It was brought into focus that he isn't afraid of controversy; nor is he ashamed of what he believes.

Each month A.M.S. honors a man who attributes intense contributions to the construction of the college. A man of the Year will be selected from the accumulation of the men of the month group.

This selection will be made on the basis of a man outstanding in all respects. He will be presented with a trohy of recognition. Each man of the month receives a similar trophy and a certificate of merit.

A.M.S. considers these men according to grade point average, number of units they are carrying, number of units and the services they perform completed, their activities for Chaffy.

DAUGHTER ARRIVES

Mr. and Mrs. Don L. Morton, 586 N. Campus Ave., Upland, have announced the birth of their first child, daughter Mary Louise, born Oct. 31, in Ontario Community Hospital. She weighed in at 10 lbs. 4 oz. Maternal grandparents are Mr. and Mrs. C. E. Hudson, 275 S. Vine, Upland. The proud father is a member of the Upland Fire Department.

It Says Here...

By D. F. Lawrence

YU. 2-5038

The day after Thanksgiving in Upland was like the storm after the calm. The town was full of people. Instead of spring, it was shopping that was "bustin' out all over".

Have heard comments about all the good looking boys in town. They can't ALL be imports. But who are they?

Did you know that Needles, Ariz. has the highest per capita income of any city in the nation? Got that from Gerry Holden who visits her house-building husband, Virgil, who is there now. In that town you practically wear gloves to go marketing.

* * *

Ronald Saltgaver and his mother were tuning up last week.

It's fun to vote, isn't it? Along with "doing yore dooty", you see neighbors and catch up on the news.

The Upland High School Band was justly identified as "famous" by Bill Welch during the Santa Claus Parade on Hollywood Blvd.

Pat and Monte Miller, 'way back in Bangor, Maine, are planning to welcome another duplicate in January.

* *

Got a "thank you" from several Red Cross people for the recent item in this column.

C. I. Cartwright made Thanksgiving at home after quite a time in the hospital. Diana is majoring in history at Redlands - and loving it.

Don White wants to know who prints the Western Edition of the New York Times. The paper doesn't say.

Gael Ogden was presented at the Coronet Debutante Ball last Saturday night. And so yesterday she was in grammar school.

The Lloyd McCallum family took a flying trip on four wheels during the vacation.

* * *

Good Christmas Gifts: The Saturday Evening Post Treasury; The Ladies' Home Journal Treasury; The Scribner Treasury; The World's Best - edited by Whit Burnett; Jubilee - One Hundred Years of The Atlantic; We Saw It Happen - 13 Correspondents of The New York Times; The Saturday Review Gallery; The World of the Wall Street Journal - edited by Charles Preston.

* * *

Just think what the world would be like without Christmas and the reason for it. In your gratefulness, remembers others.

FROM THE MAIL BOX

Mel Hodell, Editor

Your coverage of the $2 million Water Bond proposal was outstanding. The people of Upland have had, over the past weeks, a convenient means of learning about the City's water system and its needs through your paper.

The results of the election give evidence of the keen desire of the people to have an orderly well planned growth. They just need the information.

This office would like to express genuine appreciation for your close cooperation. Your effective support of this water program through both accurate reporting and editorial backing has contributed immeasurably to its success. Many thanks.

City of Upland

Mrs. Mary A. Marion and her child from Illinois; Mr. and Mrs. George M. Fincher from Texas; and the James A. Leaverton family from Pomona are welcome newcomers to Upland.

Also on our welcome list are new residents Dr. and Mrs. Harlan H. Omlid and their two children from Ontario and Mr. and Mrs. Roberto C. Chavez and their three children from Pomona.

The Maurice E. Craig family came to our community from Ontario and Mr. and Mrs. Lorin C. Spencer and their six children moved to our area recently from Claremont.

We welcome new neighbors Mr. and Mrs. Roger L. Marshall from Chino; also the Berton Schechter family from Glendora; and Mr. and Mrs. George A. Sloan and their two children from Ontario.

Newcomers welcomed recently to Upland include Miss Lettie Glover from Illinois; Mr. and Mrs. Paul A. Fleming and their two children from Ontario; and the Harry L. Fitzgerald family from Temple City.

Mr. and Mrs. Forrest W. Perry and their two children from Montclair and the Floyd C. Fladager family from Ontario are welcome newcomers to our area.

Other recent arrivals include Mr. and Mrs. Edwin H. Slade and their child from La Puente and the Forrest R. Church family from Ontario.

Welcome new neighbors are Mr. and Mrs. Jack R. Parks from La Puente; also the Charles L. Kirkland family from Redondo Beach; and Mr. and Mrs. Jay P. Streeper and their three sons from Monterey Park.

Our welcome to newcomers Mr. and Mrs. George E. Bush and their four children from Utah; also to the Ralph D'errico family from Ontario; and to Mr. and Mrs. Charles J. Carrol and their four children from Artesia.

San Dimas was the former home town of new residents Mr. and Mrs. Frank M. Schenstron and their three children and from Ontario came newcomers Mr. and Mrs. Robert L. Byrnes and their three children.

Mr. and Mrs. Theodore A. Tycocki from Whittier and the Rev. and Mrs. B. Edgar Johnson and their two children are welcome new members of our community.

Also on our welcome list are new neighbors Mr. and Mrs. Frank J. Daley and their four children from Pennsylvania; the Louis Cotez family from Ontario; and Mr. and Mrs. Eugene E. Vickery and their three children from Chino.

You can help newcomers in your community by calling your Hospitality Hostess, Mrs. Lois Butler, at Yu. 6-7080. She will visit the newcomers and bring them gifts of goodwill and much needed civic information.

Merri-Anns Attend Hollywood Japanese Lunch

Merri-Anns Birthday club motored to Hollywood Nov. 17 for a Japanese luncheon at Seibus roof garden with Mrs. Henry Dybsand as birthday honoree.

Mrs. Anthony Barone, her hostess, presented Mrs. Dybsand a banana cake decorated in the fall motif of a miniature horn of plenty with miniature colorful fruits centered on the cake and surrounded with yellow lighted candles.

The cake was brought in by a Japanese waitress who wished the honoree Happy Birthday in Japanese, and then in turn the group sang Happy Birthday.

Mrs. Barone also presented the honoree a fall corsage fashioned in orange and yellow miniature mums and leaves and brown ribbon for accent.

Instead of the usual group gift, each member selected an individual gift for her.

The group then spent the afternoon shopping and browsing at Seibus, later meeting at the Farmers Market where Mrs. Dybsand enjoyed opening all the surprise birthday packages.

Next birthday will be Dec. 9 for Mrs. Everett Johnson with Mrs. Stanley Kozlow, her hostess.

Those attending the party were the Mmes. William Joseph, Robert Coulson, Harold McCreight, Dale Delozier, John Funk Craig Trelford, Blythe Rosenberger, Everett Johnson of LaJoya, William Wilson of Los Angeles, Robert Kovars, Joanne Coulson and the Misses Cynthia Barone and Donna Trelford, and the honore Mrs. Dybsand and the hostess Mrs. Barone.

DECORATIONS for the annual Mistletoe Ball, one of the social highlights of the holiday season, are being readied. Above, left to right, working on table decorations are Mrs. James Godwin, in charge of the social hours; Mrs. Robert Asbill, decorations committee; and Mrs. Howard Scarborough, in charge of invitations. The gala event is scheduled for December 19 at Red Hill Country Club.

Assistance League Sets Plans For Mistletoe Ball

Invitations have been mailed for the gala Mistletoe Ball to be held on Wednesday Dec. 19 at Red Hill Country Club. This holiday event held annually by the Assistance League of Upland is one of the social highlights of the holiday season.

Mrs. Lyman Scheel and Mrs. Andrew Penque, co-chairmen of the Ball, revealed that the decor, created by Mrs. Raymond Fischer, will carry out a gold and white theme. As the guests approach the club they will see a huge mosaic of two page boys.

Spectacular gold candelabras filled with jeweled candles will be used throughout the club. In the foyer will be a large white tree with similar gold ornaments.

Assisting Mrs. Fischer with the decorations are Mmes: Thomas Hinman, Alan Swinler, Achilles Anton, Thomas Carnesi, Milo Crawford, Robert Asbill, Howard Snider and Herschel Glen.

Mrs. George Yetter and Mrs. Charles Bonynge are in charge of the food, and Mrs. Howard Scarborough is handling the invitations.

Everyone attending the Mistletow Ball has been cordially invited to attend a social hour in one of two homes before the dance beings. The homes have been designated and the guest list divided according to geographic locatio.

The hosts and hostesses are Mr. and Mrs. Raymond Fischer in Ontario, and Mr. and Mrs. Jacob Butterfield in Upland.

All Assistance League clubwomen will assist in greeting the guests between 7 and 8 p.m. in these homes. Mrs. James Godwin is in charge of the social hours.

From the social hours the guests will adjourn to Red Hill Country Club to enjoy a sit-down dinner and dancing to Carl Schaeffer's orchestra.

Proceeds from the dance will be used to continue the League's philanthropic projects, the two main beneficiaries being the Dental Clinic in Upland and the Girls Club in Cucamonga.

Stress Spiritual Vigilance Sunday

The need for spiritual vigilance will be stressed at Christian Science church services Sunday, Dec. 2, in Ontario.

Keynoting the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism Denounced" is the Golden Text from Romans: "If God be for us, who can be against us?"

One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 324):

"Be watchful, sober, and vigilant. The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter, — certainly before we can reach the goal of Spirit, or life in God."

NEW DAUGHTER

A daughter was born to Mr. and Mrs. Edon E. Skiles, 827 San Antonio Pl., Upland, on Nov. 21 at San Antonio Community Hospital.

John 8:32
And ye shall know the truth, and the truth shall make you free.

Set June Wedding

Mr. and Mrs. Herman F. Brown of 1402 E. 9th St., Upland, announced the engagement of their daughter, Sandra Lee, to Mr. Edward Archie Robinson at a Thanksgiving Dinner.

The groom-elect, a native of Upland, is the son of Mr. and Mrs. Everett A. Robinson, 1940 N. Benson Ave., Upland.

The dinner was given by the bride-elect's aunt and uncle, Mr. and Mrs. Albert Getty of Ontario.

The wedding will be in June of 1963.

Miss Brown graduated from Upland High School and is attending Chaffey Junior College. She was the 1962 All States Oklahoma Queen and delegate from Chaffey Girl Scout Council to the Senior Round-Up in 1959.

The groom-elect also graduated from Upland High School and is attending Scripps College in Claremont.

Sandra Lee Brown

NEW GIRL

Mr. and Mrs. William P. Parrilla, 1968 W. 9th St., Upland, are the parents of a daughter born Nov. 23 at San Antonio Hospital.

Sierra Vista PTA Presents Religion Prof

"Religion and Public Education" will be the topic at 7:30 p.m. Thursday, Nov. 29 when the Sierra Vista PTA will meet in the multi-purpose room at the school.

Dr. Robert Tapp, Professor of Religion at Scripps College and Claremont Graduate School, will be the guest speaker.

Dr. Tapp has taught at the University of Southern California, UCLA, St. Lawrence University, Southern California School of Theology, and Albert Schweitzer College in Switzerland.

He leaves in February for India as a Fellow of the American Institute of Indian Studies.

Dr. Tapp has contributed a chapter for the forthcoming Appleton-Century-Craft's book, "Religion Ponders Science," and has written for the National Education Association Journal and others.

He will explore some of the complicated questions revolving around moral, spiritual, and religious values in public education and answer questions.

Music will be furnished by Mrs. Lawrence A. Whitcomb and the fifth grade room mothers will be in charge of refreshments.

Second Art Museum Tour Set Friday

The second in a series of armchair tours of the great art museums of the world, sponsored by Upland Public Library will be held in the Council Chamber of Upland City Hall at 7:30 p.m. on Friday Nov. 30. The public is invited.

The audience will visit the Uffizi Gallery in Florence, Italy, by means of colored slides and recorded commentary. Burgess Meredith provides the recorded comment to accompany the pictures.

The hostess for this meeting will be Miss Pearl Moore of Claremont. Miss Moore is a former president of Chaffey Art Association and an amateur artist.

In her role of hostess, Miss Moore will introduce the program and then act as chairman for general discussion in which those present are invited to take part.

The council chamber was filled for the first meeting of the series and members of the audience came from as far away as Pomona. The current program will be the last until Jnuary 11, 1963.

CITY OF UPLAND
Notice Inviting Sealed Bids For Construction of Foothill Boulevard Service Road

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the City Manager of the City of Upland, California, up to 2:00 o'clock p.m. on December 3, 1962, and will be publicly opened by the City Manager at 2:00 o'clock p.m. on December 3, 1962, for construction of Foothill Boulevard Service Road, all in accordance with the Specifications, Plans, and other approved Contract Documents therefor, on file in the office of the City Engineer of said City, to which Plans and Specifications bidders are referred for further information.

Each bid must be on forms to be obtained at the office of the City Engineer and must be accompanied by a certified or cashier's check or bond with an approved surety company as surety, payable to the order of the City of Upland, for an amount equal to at least ten per cent of the amount bid as a guaranty that the bidder, if successful, will enter into contract satisfactory to the said City for the doing of the work contemplated and the successful bidder will be required to file good and sufficient bond for the faithful performance of the contract.

Bids must be returned to the office of the City Manager enclosed within a sealed envelope with the words "Bid — Service Road" plainly marked on the outside of the envelope.

The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter.

Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the specifications may also be obtained from the City Engineer.

By order of the Council of the City of Upland, California.
Elwin Alder
